Lost Star

Chapter 2 by Madison Shawver

He was lost and no one was able to find him. But what they did not know is that across the world he had brought to body guards and kept private from everyone. He was only there to hang with his girl on a trip that was put towards helping the people in need over in Africa. He knew he had to keep private about this secret trip because his producers would turn it into a tour for him. That is not what he wanted.
